I am desired to refer to your letter No L 1 1065 dated 22nd December 1936 regarding the acquisition of some lands for a labour colony of the Maharaja Mills It is understood that the question was pending in your office for a long time past, and that the matter had not received attention in spite of the requests of the management to you for disposal of the question as early as possible

I am to request you to kindly intimate when the Management applied to you in the matter and why it has taken all this time to deal with the case

M Seshadri, Esq, M A ,
Municipal Commissioner,
Bangalore City Municipality

Dated, Bangalore _____ 6th January 1936

After considering the matter, I replied on 23rd April 1936, that I could not give ^{an} assurance regarding the actual amount of compensation to be awarded and that when passing the award, the compensation would be fixed having due regard to the compensation paid for neighbouring lands and other conditions

On 28th April 1936 the Managerent acknowledged my letter and asked me to take up the acquisition They - added that they presumed that the compensation to be paid ^{would} ~~could~~ approximate to the price paid by the Municipality

In the meanwhile the parties whose lands were acquired for the Labour Colony near by had filed their claims in the District Court for enhanced compensation and the proceedings had commenced I felt that any - overt act regarding the acquisition of these lands would *adversely* affect the interest of the Municipality, and I therefore deferred taking further action These cases have now been concluded and are posted for judgment

I regret however ~~however~~ the delay that has occurred in this matter

Yours Sincerely,

B T Kesavalenger, Esq , B A ,
Chief Secretary to Government,
